Dear Flynn Families,

Please remember that the Flynn Olympics will be held on Monday, June 6 (with a rain date of June 7). Parent and community volunteers help to make this annual event an awesome day for Flynn students. We need 22 volunteers in the morning and afternoon to help students participate in the 11 physical education activities. Please see the attached Olympics flyer—and how easy it is to sign up for this fun event!

Thank you to the dozens of parents and the Flynn PTO for providing such a terrific and delicious hour-long lunch during today's Staff Appreciation event. Staff relaxed in the quiet table-clothed "café" and visited in a relaxed manner while dining on a variety of homemade dishes. Parents helped with recess and lunch duty so that every one of our 60+ staff members could enjoy today's special luncheon. Thank you so much for your support of Flynn staff!

This morning, several students were relaxing before school on the log stump benches in our new outdoor classroom. "We love it! You can work out here and play around and blow dandelions. It's great," they exclaimed. With the help of two dozen community volunteers, we built and installed our outdoor classroom, prepared the large vegetable and herb gardens for spring planting by students, and planted two cherry trees to start a fruit orchard. Next month, we will honor all of the volunteers in an all-school assembly. *(letter continued page 2)*

(letter continued)

We have finalized teacher assignments for next year (see below). With the loss of one home-room teacher due to budget issues and low numbers in one grade level, Flynn will again have one multiage classroom. Like in years past, the math curriculum will be delivered at grade level by two teachers; one teacher will work with grade 3 students and another teacher with grade 2 students.

There were many changes to principal assignments in the District for next year. I have been asked to stay at Flynn School, which I am very excited to do. Thank you to all of the parents and community members who have shared kind words and their support regarding this decision; it is greatly appreciated. -Graham Clarke

Dear Flynn Families:

The Flynn Olympics will be held on **Monday, June 6th** (rain date: Tuesday, June 7th). Modeled on the Olympic Games, each class will compete in several contests as a team to reach goals and win medals for their class. We will have Opening Ceremonies, the events themselves (3-5 and K-2), and a Closing Ceremony at the end of the day (2:15pm), where each class will be awarded the medals they have earned.

To help make sure that this is a safe and positive experience, we need volunteers! There are two available time slots on June 6 (see below). Please arrive 15 minutes prior to your start time.

There will be a quick briefing for volunteers in the Flynn Learning Center on **Thursday, June 2 at 3 pm. This briefing will be particularly important in order to get your assignment.**

We very much appreciate any help you can give. Please fill out and return the form below. You may also email it to Denise Haggerty denihaggerty@yahoo.com or call Denise at 802-863-5607 before noon on Friday, June 3. Alternatively, you may sign up on the Flynn PTO sign-up genius site:
