For Info Snap Support

10am-12Pm October 13th

3pm-4pm October 13th

A few weeks ago you received a letter asking you to update some of your information by signing into PowerSchool. If you did not already do this please take the time in the next few days to get this done. **This is extremely important** as it includes emergency contact information, lunch forms, and other important items.

This is required and important information for us to have. As this is done electronically, there are no more piles of paper to shuttle back and forth between school and home. If you do not have access to a computer you may come into the school to use one. If you need assistance, please call our Administrative Assistant, Karen Priebe at 802-864-8478.

Here's how it works:

On a computer or other device, go to the: <http://tinyurl.com/ze26tgm> (or go the district home page at www.bsdvt.org, then to "parents", then to "PowerSchool", and then to "sign in").

This takes you to the BSD PowerSchool Parent Portal (<https://psapp.bsdvt.org/public/home.html>)

Create a Parent Portal account (if you haven't already), or if you already have an account, log-in to it.

Connect your Parent Portal account with your student(s) using the Access ID that is in the parent letter that we mailed to you a few weeks ago. (If you do not have this letter please contact your school right away to request the code).

Login to the BSD PowerSchool Parent Portal

Click on **Returning Student Registration** (on bottom of the left hand-side) to start the InfoSnap registration process. More detailed directions are included with this newsletter to help you if you get stuck.

This form replaces many old paper forms and so it has several screens full of questions. You can pause at any time in the process by clicking on **"Save and Logout"** in the upper right-hand corner of a screen. When you return, you can pick up where you left off.

Any parents interested in volunteering, please contact Denise Haggerty at 863-5607 or Amy Perry at 658-1591. We especially need help assembling costumes and selling ads for the playbill at this time, but there are many other ways to help!

Flynn Bike/Book Mobile Report

This summer saw another record number of young readers get books from the Flynn School Bike/Book Mobile. 145 different children were able to check out books, many of them regularly, throughout the summer! It was a very warm summer, particularly on Wednesdays! I appreciated the freezy pops and cold water refills along the way!

I would like to request parents' assistance in having some Flynn students return books back to me. I have about 24 books that I am trying to round up so they may be read by children next summer! Thank you for your help!
