## Free! *research and information resources at your fingertips*

Vermont public and school libraries have free access to the Vermont Online Library as of January 1, 2017.

Visit [www.vtonlinelib.org](http://www.vtonlinelib.org) (you do not need to share your location)

2. On the home page, you will see a search bar. Underneath, it will say **Current Library:** [name of library].
3. If the library in brackets is NOT your library, click on the drop down menu underneath Current Library that says '**Select a Different Library.**'
4. If your library is not listed, select '**Not listed, let me look it up.**' Begin typing the name of the **TOWN** where your school or public library is located. Click on it when it appears.

You will be taken to a home page that has your library as the 'Current Library' and you will be able to browse resources.

Need help? Come see Mrs. Clopton and Ms. Margolin in our Flynn School Library.

## Theatre Fans

Is your child remembering their time on stage with Mulan, Jr? Are they itching to get back up on stage soon? Very Merry Theatre is offering a theatre opportunity this winter at their 333 site in Burlington and Don has asked us to share this information with you.

You can learn more about these opportunities at their website . And if this one doesn't fit into your schedules, there are other shows that happen throughout the year and camps during the summer. There are always scholarships available for students so that every child who wants to has the opportunity to participate.

**Come join this fun Very Merry Theatre musical offering at our 333 Stage in Burlington:**
