### **BSD Automated Telephone Alert System - Test Phone Call**

Please note that we will be sending a TEST phone call to parents/guardians on **Sunday, November 15 at 6 pm**. If you receive the call at the number you wish called for such things as school announcements, attendance calls and weather delays/closings, no action is needed. If you do NOT receive the call or if you receive it at a number that you do not wish to be called in these instances, contact your school administrative assistant with this information. Thank you for your participation.

Thanks to all who dropped off bottles and cans at 802 BWS at the Hannaford Shopping Center on Halloween. If you didn't make it, no problem! There is still time to bring your cans and bottles to 802 BWS--they will keep a running tab for our school this year. Swing by any time and say you want to donate the deposit to J.J. Flynn School. Have bottles at work? Grab them! Also, let your friends and neighbors know that this is an ongoing fundraiser to help support the many activities and enrichment opportunities for our students at Flynn Elementary.

Thanks for your support! J.J. Flynn School PTO

Dear Flynn Families,

We're having a blast in our library this year! Students are learning how to use the Destiny Online Catalog to find just-right books. You can access our catalog at home by visiting the Flynn School website and following the library links. We've also been learning about genres—ask your child to sing to you about fiction, non-fiction, and biography books! Thank you for continuing to support your child in developing the habit of returning their borrowed library books to school each week. Our library books have a sticker on the spine and a barcode labeled **Flynn Elementary School** on the back cover.

Thank you! Cara Clopton & Corey Wallace
