Welcome back to school, Flynn Readers! It was a very successful summer for the J.J. Flynn Bike-Book Mobile. One hundred and forty five young readers visited the book mobile--many on a consistent basis. The weather cooperated for the most part, and the bike and trailer held up well (once I got that flat tire figured out!). I want to thank Christy Roberts for frequently assisting me with 'crowd control' at the little park in Northgate. It was greatly appreciated.

I signed up many readers for the Summer Reading Program, and these readers have received their certificates. I was unable to distribute certificates for the other Flynn students who completed the Summer Reading Program, but these can be picked up at Fletcher Free Library or from 5:00-7:00 pm on September 10 at the Miller Center Open House.

There are still a lot of books out there that have yet to be returned. Any assistance from parents would be wonderful! I have a box in the office where they can be dropped off. Thank you! -Mr. Tim
